Verse the First

**Listen up, y'all, I wanna take you back
To the days when Kevin Costner was daddy mack
And he danced with wolves; but we didn't understand**

**I was 6"1, a buck thirty
Turned on the VHS-we'd watch Dirty Dancing
Because we thought that Patrick Swayze was the man**

**Kriss Kross had me confused about my pants
I did the running man at a high school dance
And everybody said, "Yo, that kid's got some wicked moves"**

**I got a six string and hung out with my best friend Jon
He showed me the chords to a Poison song
I went down to the river with a bunch of older dudes**

The Chorus of Pure Joy

Verse the Second

**Where'd ya go, Bel Biv Devoe?
Did you skip town, Digital Underground?
Where've you been, Boyz II Men?**

**You might say to me, "Hey, listen up, Sonny"
But back off, dude, I'm just trying to be funny
And no one ever said that being funny was a sin**

**C&C music factory
Vanilla Ice was the one for me
I got a perm and shaved lines in my eyebrows**

**I got an earring, but didn't want my dad to see it
I was an honors kid, but didn't want to be it**

My mom came home and had a couple cows (don't ask me how, but)

The Rap Part That I Plagiarized

Don't you call it a comeback

Because I've been here for years

I'm rocking my peers; puttin' suckas' in fear

Makin' the tears rain down like a monsoon

Listen to the bass go BOOM

Explosion; overpowerin'

Over the competition I'm towering

Wrecking the shop when I drop

These lyrics that will make you call the cops

I'm gonna knock you out

Momma said knock you out

This moment of gracious poetry is from

From Sir LL Cool J's "Mama Said Knock You Out"

The Chorus of Mayhem and Delight
